Report 18.01.2020

The application development process is nearing completion. We are reviewing the bugs we have left and amending them.

Name	Tasks	Description	Duration
Bleron Uka	Testing backend	I am testing all inputs and doing Unit testing to this application for bugs and database data	1 Week
Arbnor Bajra	Testing Devices Front-end	I am testing all devices for responsive, if it is applying for all mobile devices	1 week
